Re: Case 10-T-0139: Application of Champlain Hudson Power Express

Dear Secretary Phillips:

On April 15, 2022, CHPE Properties, Inc. and CHPE LLC (together “CHPE” or the “Certificate Holders”) submitted the Segments 1 and 2 Environmental Management and Construction Plan (EM&CP) for the Champlain Hudson Power Express Project (the “Project”) in accordance with the requirements of CHPE’s April 18, 2013 Certificate of Environmental Compatibility and Public Need (“Certificate”). Enclosed please find a full, revised version of the CHPE Segment 1 and 2 EM&CP. This version replaces the April 15, 2022 documents and the supplemental submission made August 19, 2022 in full, even for documents which have not changed, for purposes of clarity.

Lastly, this supplement to the EM&CP includes one document submitted under confidential cover—Appendix O, Cultural Resources Management Plan—which is confidential because it identifies the location of sensitive cultural resources which are protected from disclosure by law.

Please feel free to reach out to my office with any questions regarding this filing.

Sincerely,

/s/ **Laura Bomyea Darling**
