Re: Case 10-T-0139: Application of Champlain Hudson Power Express, Inc. for a Certificate of Environmental Compatibility and Public Need Pursuant to Article VII of the PSL for the Construction, Operation and Maintenance of a High Voltage Direct Current Circuit from the Canadian Border to New York City

Dear Secretary Phillips:

Enclosed please find the Stony Point Transitional Horizontal Directional Drill (HDD) Environmental Management and Construction Plan (EM&CP) for the electric transmission project known as the Champlain Hudson Power Express Project (the "Project"). This Stony Point Transitional HDD EM&CP is submitted by CHPE, LLC and CHPE Properties, Inc. (together "CHPE" or the "Certificate Holders") in accordance with the requirements of CHPE's April 18, 2013 Certificate of Environmental Compatibility and Public Need ("Certificate"), issued pursuant to Article VII of the Public Service Law ("PSL") by the New York State Public Service Commission (the "Commission").

The Project is a buried, High Voltage, Direct Current ("HVDC") transmission line extending approximately 339 miles from Montreal, Quebec to a converter station in Astoria, Queens. The Stony Point Transitional HDD consists of a transitional horizontal directional drill in the Town of Stony Point, Rockland County, which will connect an overland segment of the CHPE line (Stony Point to Haverstraw Overland Segment 12) with the Lower Hudson River Marine Segment (Segment 20), and the installation of conduits in this location. This EM&CP also includes a temporary laydown yard at Tomkins Cove, also in the Town of Stony Point. As previously stated, Separate EM&CPs will be developed for each Overland Segment as well as the Marine Segments; a revised preliminary schedule of EM&CP Segment submissions is included as Table 1.1 in the attached EM&CP Narrative.

The Certificate Holders have circulated notices related to this filing and will serve this filing in accordance with the Certificate. Proofs of service of notices and the document, including proofs of publication in local newspapers, will be submitted under separate cover as soon as they are available.

Please feel free to reach out to my office with any questions regarding this filing.

Sincerely,
