Re: Case 10-T-0139: Application of Champlain Hudson Power Express

Dear Secretary Phillips:

On November 17, 2022, CHPE Properties, Inc. and CHPE LLC (together “CHPE” or the “Certificate Holders”) submitted the Temporary Laydown Yards Environmental Management and Construction Plan (EM&CP) for the Champlain Hudson Power Express Project (the “Project”) in accordance with the requirements of CHPE’s April 18, 2013 Certificate of Environmental Compatibility and Public Need (“Certificate”). Enclosed please find the following revised documents related to this EM&CP which replace the documents filed in November 2022 (DMM Items 909 and 910—if a document is not listed below, there are no changes and the November 17, 2022 version will be used.

Revisions to Temporary Laydown Yard EM&CP:

- Revised EM&CP Narrative
- Appendix C, Plan and Profile Drawings
- Appendix G, Stormwater Pollution Prevention Plan (SWPPP)
- Appendix K, Spill Prevention, Control and Countermeasure Plan (SPCC)
- Appendix M, Wetland and Waterbody Inventory and Delineation Report
- Appendix O, Cultural Resources Management Plan
- Appendix T, Overland RTE Species and Significant Natural Communities

Lastly, this supplement to the EM&CP includes two documents submitted under confidential cover—Appendix O, Cultural Resources Management Plan and Appendix T, Overland RTE Species and Significant Natural Communities—which are confidential because they identify the location of sensitive cultural resources and threatened and endangered species, respectively, which are protected from disclosure by law.

Please feel free to reach out to my office with any questions regarding this filing.

Sincerely,

/s/ Laura Bomyea Darling
