

YOU'RE INVITED!

The Champlain Hudson Power Express (CHPE) project is hosting three open houses to stay engaged with communities as we build New York state's low-cost renewable energy future. This includes improving air quality, boosting county and school tax revenue, and preserving Rockland County's vital environmental ecosystems and waterways.

We hope to see you to answer your questions about CHPE and work on collaborative solutions together!

**You can always reach us at:
(800) 991-CHPE (2473)
with any questions or
accommodation requests.**
