

NOTICE OF THE START OF CONSTRUCTION FOR SEGMENT 12 OF THE CHAMPLAIN HUDSON POWER EXPRESS PROJECT

On or about August 31, 2023, the Champlain Hudson Power Express Project (“CHPE”) intends to begin site preparation and construction on Segment 12 of the proposed Champlain Hudson Power Express (“CHPE”) Project. Segment 12 of the CHPE Project includes installation of approximately 7.6 miles of buried electrical transmission line within the public road right-of-way (ROW) of Route 9W in the Towns of Stony Point, Haverstraw and Clarkstown, including the Villages of Haverstraw and West Haverstraw (Rockland County). The initial construction work will involve preparation of the site, followed by installation of the cable and associated work. Where possible, construction near residences and sensitive receptors will generally occur during daylight hours, though some limited activities would extend to later hours as needed.

On April 18, 2013, the NYS Public Service Commission (Commission) issued to CHPE a certificate of environmental compatibility and public need (Certificate), pursuant to Article VII of the Public Service Law (PSL), to construct and operate the CHPE Project. Upon receipt of a Notice to Proceed with Construction letter sent by the New York State Department of Public Service’s Office of Electric, Gas and Water, CHPE will be authorized to commence construction activities for these Segments.

CHPE has established a toll-free number for questions regarding the Project, including a complaint resolution plan for issues arising during construction: 1-800-991-CHPE(2473). Questions or requests for further information can be directed to: publicoutreach@chpexpress.com or by mail to Molly Hollister, WSP USA, One Pennsylvania Plaza, New York, New York 10119.

Facility construction falls under the jurisdiction of the Commission, which is responsible for enforcing compliance with environmental and construction conditions, and which may be contacted through Matthew Smith, Office of Electric, Gas and Water, New York State Department of Public Service, Three Empire State Plaza, Albany, NY 12223, via telephone at (518)474-8702 or email at matthew.smith@dps.ny.gov.

Details of the planned work locations, including construction drawings showing in detail the Segment, are available on the Project website at: <https://chpexpress.com/overview-of-public-documents/environmental-management-construction-plan/>. The full Commission docket for the Project can be accessed via the Commission’s website at: <http://documents.dps.ny.gov/public/MatterManagement/CaseMaster.aspx?MatterCaseNo=10-T-0139>.

Paper copies of the Segment 12 EM&CP submissions are available for viewing at the following local document repositories: Rose Memorial Library Association, 79 East Main St., Stony Point, NY 10980; New City Library, 198 S. Main Street, New City, NY 10956.
