## **Notice of Submission of Segments 4 and 5 EM&CP For the Champlain Hudson Power Express Project**

Dear Stakeholder,

On or about April 21, 2023, CHPE LLC and CHPE Properties, Inc. (collectively referred to as "CHPE") intend to submit Environmental Management & Construction Plans ("EM&CPs") for Segments 4 and 5 of the proposed Champlain Hudson Power Express ("CHPE") Project. This EM&CP includes installation of approximately 26.5 miles of buried overland cable running from the Town of Fort Edward (Washington County) through the Town of Milton (Saratoga County), primarily along railroad rights-of-way.

The New York State Public Service Commission ("PSC") issued a Certificate of Environmental Compatibility and Public Need ("Certificate") to CHPE on April 18, 2013 to construct and operate the CHPE Project. Pursuant to that Certificate, CHPE is required to circulate notices to certain landowners, utility owners, municipalities and agencies near the proposed Segment locations indicating that the EM&CPs will be filed and providing links and contact information which stakeholders can use to obtain further information or to submit comments.

The EM&CP provides detailed information regarding how this Segment of the Project will be constructed, the specific locations of the proposed permanent right-of-way, Construction Zones, and temporary work areas, as well as descriptions of work to be performed, plan and profile drawings depicting the Project, and protocols to be used during construction to protect the community and the environment, and to comply with the CHPE Certificate. The EM&CP must be reviewed and approved by the PSC before construction on the Segment can begin.

An overview map of the proposed Segment 4 and 5 locations accompanies this notice. Further details of the planned work locations will be made available on the Project website at: <https://chpexpress.com/overview-of-public-documents/environmental-management-construction-plan/>. In general, construction activities for this Segment are anticipated to commence in the summer of 2023. Where possible, construction will generally occur during daylight hours, though some limited activities would extend to later hours as needed.

### **Contact Information and Document Repositories**

CHPE has established a toll-free number for questions regarding the Project: 1-800-991-CHPE (2473). Questions or requests for further information can be directed to [publicoutreach@chpexpress.com](mailto:publicoutreach@chpexpress.com) or by mail to Molly Hollister, WSP USA, One Pennsylvania Plaza, New York, New York 10119.

The EM&CP documents will be available on the PSC's website at <http://documents.dps.ny.gov/public/MatterManagement/CaseMaster.aspx?MatterCaseNo=10-T-0139> and on the Project website <https://chpexpress.com/overview-of-public-documents/environmental-management-construction-plan/> once they are filed.

Paper copies of the Segment 4 and 5 EM&CP submissions will be available for viewing at the following local document repository: Fort Edward Public Library, 23 East St, Fort Edward, NY 12828; Saratoga Springs Public Library, 49 Henry Street, Saratoga Springs, NY 12866; Ballston Spa Public Library, 21 Milton Ave, Ballston Spa, NY 12020.

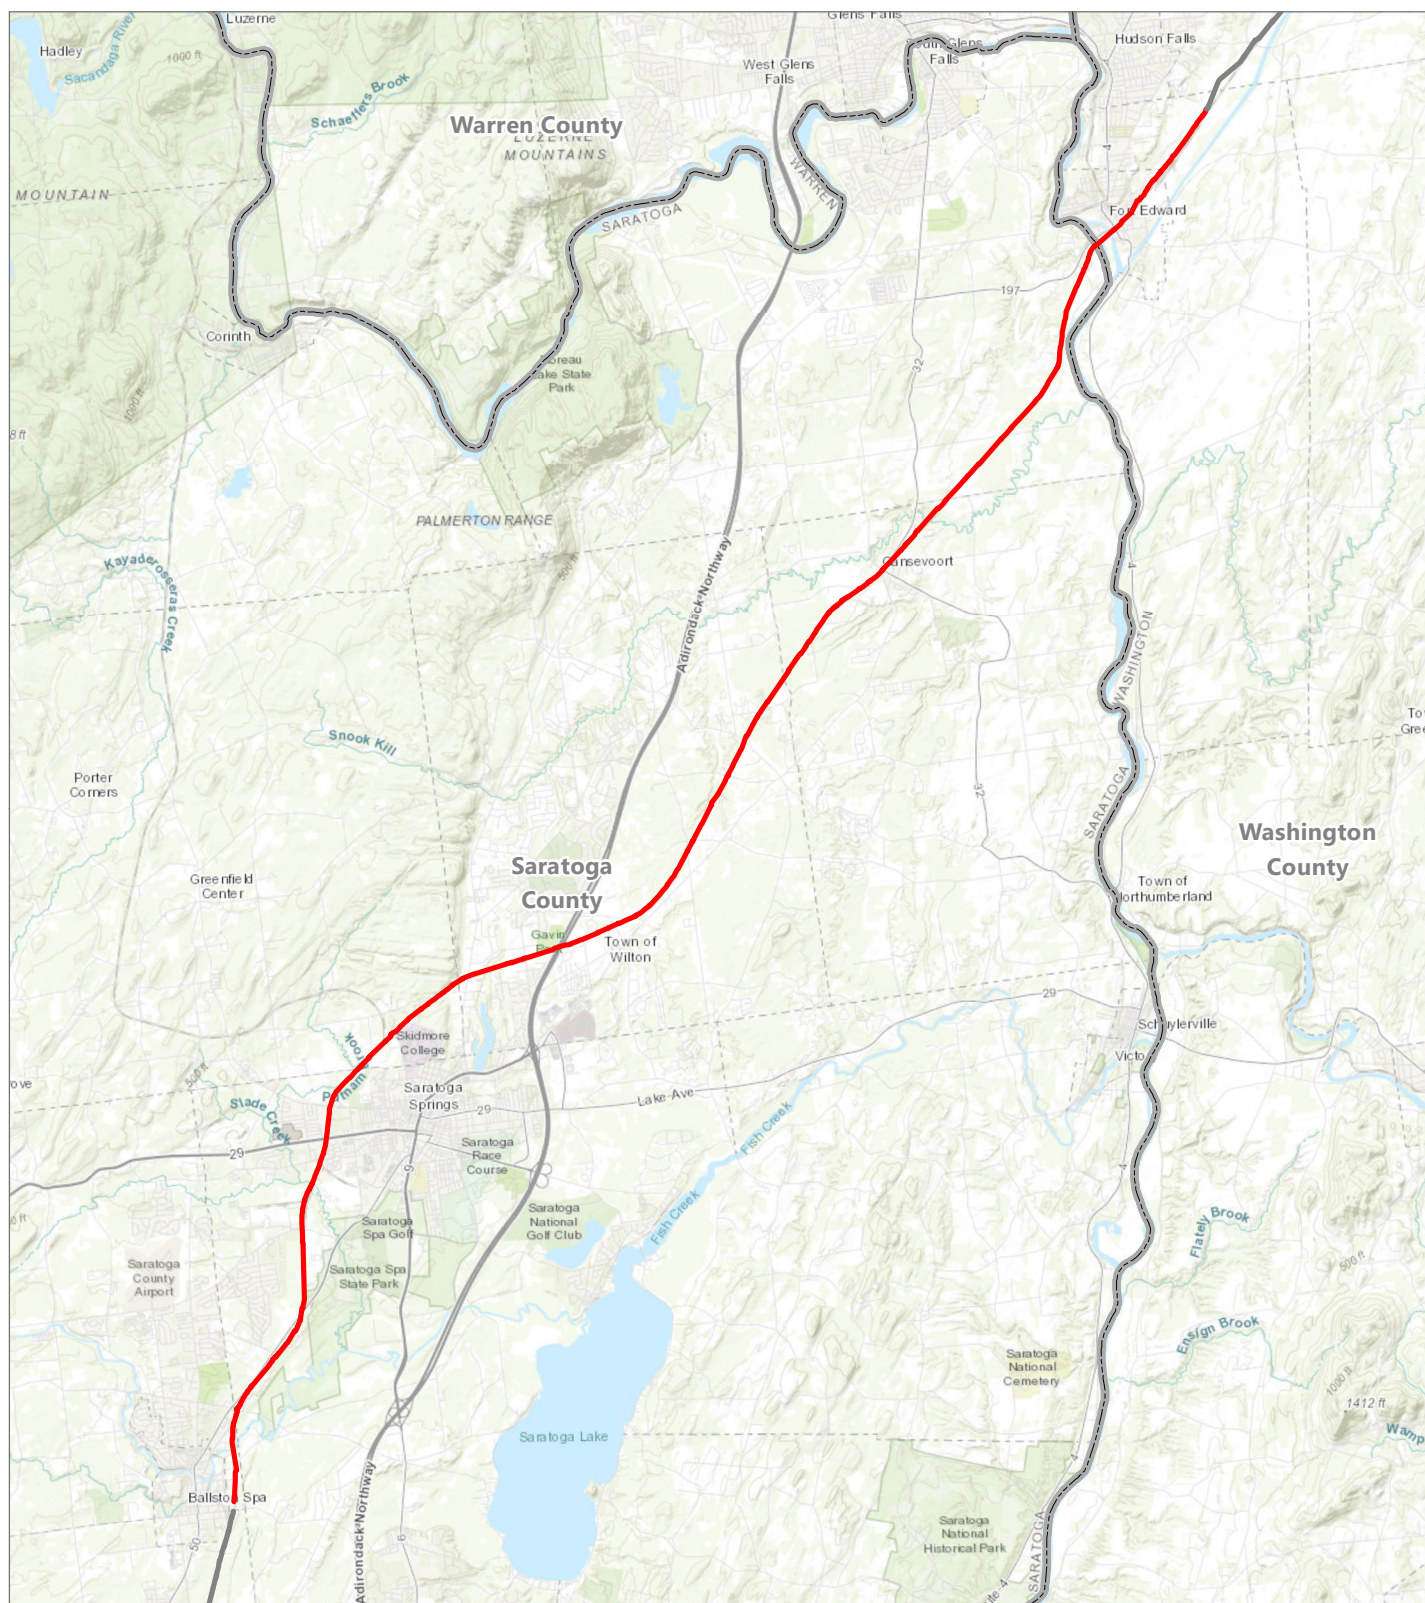

**Filing Comments**

Any person wishing to be heard by the Commission on any matter related to the proposed EM&CPs may file written comments with the Commission Secretary by email at [secretary@dps.ny.gov](mailto:secretary@dps.ny.gov) or by mail to Michelle Phillips, Secretary, NYS Public Service Commission, 3 Empire State Plaza, Albany, NY, 12223, within 30 days of the EM&CP Segment's filing with the Commission. All comments should reference Case Number 10-T-0139.

Yours truly,

Josh Bagnato  
Vice President, Development
