

Appendix N - Documentation of CI Consultation Having Occurred

As detailed in the Appendix N Stakeholder Log, the CHPE Team has had extensive coordination with all these CI Owners, with the exception of Charter Communications and RCN (Astound). CHPE believes that the Plan and Profiles reflect input received from these stakeholders during this consultation. The following provides a status of agency and utilities review and acceptance of the Plan and Profile drawings:

Agency/Utility Name	Acceptance of the Plan and Profile Drawings
MTABT	
NYCDEP	
NYC Parks	
NYCDOT	
NYPD	
FDNY	
Amtrak	
Con Edison	
National Grid	
NYPA	
Charter Communications	
RCN (Astound)	
Verizon	
AT&T	
NYCTA	
Altice Cablevision	

This Appendix contains confidential commercial information, trade secrets, and/or proprietary information and as such is entitled to confidential treatment under Section 87(2) of the New York State Public Officers Law and the Commission's regulations (16 NYCRR 6-1). An unredacted version of this document has been submitted under separate cover to the Records Access Officer.
