Re: Case 10-T-0139: Application of Champlain Hudson Power Express

Dear Secretary Phillips:

Enclosed please find the Environmental Management and Construction Plan (EM&CP) for Segment 21, Astoria Annex, of the electric transmission project known as Champlain Hudson Power Express ("CHPE" or the "Project"). This EM&CP includes installation of approximately 1,400 linear feet of overhead alternating current (AC) transmission cable connecting the project's Astoria Converter Station (Segment 22) with the Astoria Annex Substation, all within a fenced, controlled-access energy complex in Astoria, Queens.

This EM&CP is submitted by CHPE LLC and CHPE Properties, Inc. (together the "Certificate Holders") in accordance with the requirements of CHPE's April 18, 2013 Certificate of Environmental Compatibility and Public Need ("Certificate"), issued pursuant to Article VII of the Public Service Law ("PSL") by the New York State Public Service Commission (the "Commission"). Please feel free to reach out to my office with any questions regarding this filing.

Sincerely,

/s/ **Laura Bomyea Darling**
