Re: Case 10-T-0139: Application of Champlain Hudson Power Express

Dear Secretary Phillips:

Enclosed please find a Petition by CHPE LLC and CHPE Properties, Inc. (together "CHPE" or the "Certificate Holders") seeking amendment of CHPE's April 18, 2013 *Certificate of Environmental Compatibility and Public Need* ("Certificate"), issued pursuant to Article VII of the Public Service Law ("PSL") by the New York State Public Service Commission (the "Commission") for the Champlain Hudson Power Express Project (the "Project"). This Petition seeks to add four permanent, aboveground Cable Monitoring and Telecommunications (CMT) Huts to the approved CHPE Facility, to be located in the Towns of Putnam (Washington County), Ballston (Saratoga County), Catskill (Greene County) and Stony Point (Rockland County). A *Certificate Amendment and Environmental Management and Compliance Plan (EM&CP) Supplement*, with appendices including impact studies and a local law analysis, are included with this Petition.

Please feel free to reach out to my office with any questions regarding this filing.

Sincerely,

/s/ **Laura Bomyea Darling**
